

# The ISO Prize 2013

## Eligibility criteria

In order to apply for this award you must be:

- an individual (you cannot apply for this award on behalf of your company or organization) ideally under the age of 45,
- from outside the ISO community (you do not work for the ISO Central Secretariat, an ISO member, an ISO technical committee or a national mirror committee), and
- available to travel to St. Petersburg during the week 16 – 20 September (costs will be paid by ISO) where you will give a guest presentation on the subject of the award.

## How to apply

Please explain in 300 words how you have made a significant contribution to the understanding or use of ISO standards in a way that has tackled economic, technological or societal challenges.

In addition, please send us a 150 word proposal for a project to research or finance the implementation of an ISO standard in a way that clearly addresses economic, environmental and/or societal challenges.

Please send your applications to [isoprize@iso.org](mailto:isoprize@iso.org) before 5 July 2013.

## Prize

- 20 000 Swiss Francs to finance the project proposed
- Travel and accommodation to the ISO General Assembly where you will give a presentation on the award
